Hi Colleen,

I don't know if you have to be there after the 9 to 12 meeting. If you want to come it'll be more of a site tour at that time which we just had. We could fill you in on any pertinent details that come out of the meeting. If you want to show up a little before the public meeting. Why don't you try to give me a call Monday afternoon. We can flush out the details then.

Mike
